The proposal to put in a trucking facility right on route 122 next to the mass pike is, on its very face, completely ridiculous. It is time for Grafton to stop allowing more trucking companies to come in just because it is convenient for them to be near the interstate. This is primarily a residential area that was built to accommodate the personnel who worked for that company. We do not deserve to have our community sold out to the highest bidder. Please text me or call me. I tend to miss emails. 5085232169 thanks
